

Invacare® | **Lynx™**

### **Micro, Light, Portable: the *Invacare Lynx***

The *Invacare Lynx* is the portable micro scooter which eases your way to independence. As the ideal companion for shopping trips excursions and holidays, the *Lynx* is the best way to accomplish daily activities effortlessly. Thanks to its micro proportions and its lightweight, it fits easily in the boot of a car and is straightforward to dismantle. With the *Lynx*, trips to the shops or the park become a pleasure.

**Yes, you can.®**

Features

**Easy to Manage, Easy to Use**

Museums, strolls in the park or downtown, movie theatres, shopping areas: the **Invacare Lynx** takes you everywhere, notably when space is tight. It simply fits in the boot of a car and leads the way to a relaxing drive.

**Safe and Comfortable**

**Lynx** is fully adjustable to offer a comfortable and safe position while driving. Its 360° swivel seat is adjustable in height, also the tiller and armrests can be adjusted. For added safety it has puncture-proof tyres.

**Easy 4-piece dismantling**

It's easy and simple to assemble and dismantle, and the **Lynx** is also tremendously easy to transport.

**On/Off battery charging**

The batteries can be charged wherever convenient, either by leaving the battery box in the scooter or by removing it for charging away from the scooter.

**Intuitive controls**

The control panel is easy to understand and simple to operate.
