Triumph and Triumph Plus models have a fixed seat height of 21" (535 mm)

***Please note for seat heights of 13" and 27" there is an additional surcharge charge of £20**

Handle Height (IMPORTANT)

As stated in the brochure it is crucial that the handle height takes priority over the seat height. The 4 legged walkers have 3 settings in 2" (51mm) gaps with the lowest being 10.5" (267mm) above the seat height. The Triumph and the Triumph Plus have 4 settings in 1.5 "(38mm) gaps with the first setting being 10.5" (267mm) above the seat height.

FRAME WIDTH Please **ONLY** tick an option below if you do **NOT** want our standard width walker

2" (51mm) **narrower** frame applies to the Freeway, A-Frame and Glider Plus Adjustable models only (No additional cost)

2" (51mm) **wider** frame applies to the Freeway, A-Frame and Glider Plus Adjustable models only with an **additional surcharge of £60**

Please tick your choice of **BRAKING SYSTEM** for your Uniscan (please ensure you only tick one box)

Locking Lever Cable Brakes

Safety Pressure Brakes

The **Cadet** and **Freeway** models come with Safety Pressure Brakes as standard; there is a **£25 additional surcharge** for having the Locking Lever Cable brakes on these models.

The Triumph, Triumph Plus and the Traveller only have the Locking Lever Cable braking system

The A-Frame has rubber stoppers fitted to the rear wheels
